

TRANSFER TO RAFFLES MILANO ADMISSION PROCEDURE TO THE SECOND YEAR

Raffles Milano welcomes transfer students from other universities, design institutes and from Raffles Colleges worldwide through a dedicated admission process.

Here's how it works:

1) Initial Contact and Info Session	Prospective transfer students should begin by booking an online or in-person info session with the admissions team. This session helps clarify the course structure, expectations, and the transfer process.
2) Document Submission	<p>Applicants must submit the following documents:</p> <ul style="list-style-type: none">• Identification documents.• Personal statement or motivation letter.• Academic transcripts and course syllabi from the current or previous institution.• Portfolio (strongly suggested).• High School Diploma <p>These materials are used to assess the compatibility of previously earned credits with Raffles Milano's curriculum.</p>

<p>3) Credit Comparison and Recognition</p>	<p>The academic team at Raffles Milano will conduct a credit evaluation to determine which previously completed courses can be recognized. This step ensures that the student can enter directly into the second year without academic gaps.</p> <p>Moreover, the entry requirements to the Italian Education System will be evaluated according to the High School Diploma submitted.</p> <p><u>This process may take some time therefore students are required to start it within the following timeframes:</u></p> <ul style="list-style-type: none"> • Non European students: start the Transfer procedure between March and May and complete it within the end of June for admission to the following fall intake. • Italian and European students: start the Transfer procedure between March and June and complete it within the end of July for admission to the following fall intake. <p>In case the full transcripts are not available when the application is started, they must be submitted as soon as available. The evaluation will be performed upon the syllabi and final acceptance into the course will be confirmed only after the documents are submitted.</p>
<p>4) Interview with Program Leader or Academic Director</p>	<p>A motivational interview is scheduled with the program leader or Academic Director. This is not a technical or design test but rather an evaluation of the student's passion, goals, and fit for the program. The credit recovery plan, if available, will be explained as well as the exam procedures.</p>
<p>5) Admission Decision and Enrollment</p>	<p>Once the interview and credit recognition are complete, successful candidates receive an admission offer. Enrollment is finalized upon payment of fees and submission of any remaining documents.</p>

TOP UP procedure (2+2) for Raffles College Students

Students from other Raffles Colleges benefit from a flexible and simplified inter-school transfer scheme, allowing them to move between campuses within the Raffles Education Network. This system supports cultural exchange and academic continuity.

Specifically, students who complete an Advanced Diploma (minimum 6 + 18 months) in the following subjects will be able to gain simplified admission to the second year of the correspondent BA in Raffles Milano and obtain an Academic Diploma I Level*, after successfully completing the 2nd and 3rd year.

FASHION DESIGN	Singapore, Cambodia, India, Indonesia, Saudi Arabia, Thailand, Malaysia, China
GRAPHIC DESIGN	Singapore, Cambodia, India, Indonesia, Saudi Arabia, Thailand, Malaysia, China
PRODUCT DESIGN	Singapore, India, Thailand
INTERIOR ARCHITECTURE AND DESIGN	Singapore, Cambodia, India, Indonesia, Saudi Arabia, Thailand, Malaysia, China

The curricula of the above-mentioned programs have been previously assessed (see point 3. of the Transfer Procedure) and therefore any student holding such a qualification will benefit from a simplified and quicker admission process and a privileged tuition fee discounted by 30%.

Such students will be admitted to the second year of the relevant course and will have to recover a few credits through self-study and sustain an exam during the first available session.

They will also have to choose between the available specialisation paths of the relevant course, and, in particular:

FASHION DESIGN	VISUAL DESIGN
<ul style="list-style-type: none"> - Fashion Design - Jewellery and Accessories Design - Fashion Communication and Marketing 	<ul style="list-style-type: none"> - Visual and Graphic Design - Communication Design and Management
PRODUCT DESIGN	INTERIOR DESIGN
<ul style="list-style-type: none"> - Product Design 	<ul style="list-style-type: none"> - Interior Design

Admission to the second semester of the second year (March) will be evaluated on a case-to-case basis.

Students from other Raffles Colleges who hold Advanced Diplomas in the following subjects: Animation Design, Digital Media Design, Jewellery Design, Photography, Fashion Marketing and Management will be able to submit their personal transcript for standard credits evaluation. The number of credits to recover will be evaluated on a case-to-case basis. They will still benefit from a privileged tuition fee discounted by 30%.

**Students must be in possession of the prerequisites to access the Italian education system (12 years of schooling and access to the University in the same system where the high school diploma was issued, eg: GaoKao and Yikao exam in China).*
